

ForaCare Suisse

A ForaCare Global company

Date and Place:

12th – 15th November , 2014

Düsseldorf, Germany

Dear valued customer,

We cordially invite you to our booth **Hall 15 / A39** at the upcoming **MEDICA, 12th – 15th November 2014**, in **Düsseldorf**, the leading global exhibition for the medical sector. It is an unmissable opportunity to exchange ideas and to witness the changes and the trends in the dynamic world of medical technology, tele-medicine, diagnostics and drugs.

Stay Ahead with Bluetooth®

This year, ForaCare brings to you a smart life - Bluetooth technology, the convenient data transmission and communications are not only improved the user's experiences for patients and doctors, but also personal users.

New FORA INTERACTIVE connect GD 41

Meet the most attractive single in the world of blood glucose monitoring. Fits in the palm of your hand. **Works with a GSM SIM CARD**, and interactively connects you with your results via a touch screen.

New Wireless scales - Diamond Balance

This year, ForaCare will present a new wireless weight scale - **Diamond Balance**, which connects easily to two platforms (iOS and Android). This new designed weight scale allows you to comfortably measure your weight, BMI, BMR, body fat and water saturation and easily sends all these information to **iFORA WS**.

We look forward to welcoming you to **MEDICA 2014 in Düsseldorf, Germany (12th – 15th November 2014)**.

Yours Sincerely,
The ForaCare Suisse AG Marketing Team
