ForaCare Suisse

A ForaCare Global company

Date and Place:
12th-16th September 2016
Munich, Germany

Dear Valued Customer,

Please visit us at the European Association for the Study of Diabetes **(EASD) 2016 in Munich, Germany** from **12 to 16 September** to get a first look at the newest **FORA® products. It's one more way we are delivering on our promise to bring you the latest and most innovative technologies.**

To Stay Ahead with Healthcare Big Data — FORA® Telehealth Pilot Program

ForaCare brings you smart technology for a healthier life – our state-of-the-art *Telehealth System*. The FORA® Telehealth System bridges the gap between a physician's care and chronic disease self-management. ForaCare provides customized Telehealth solutions that help improve patient health by providing remote monitoring of chronic and potentially life-threatening conditions and providing intervention ahead of crisis — thereby reducing healthcare costs and improving lives. Patients with diabetes, hypertension, and/or obesity can choose from a wide range of methods to upload their data simply and easily. The convenient data transmission methods include the iFORA Mobile App, the 3G Gateway, or the 3G Cellular Network. Come and learn more about the pilot program and sponsorship at our Information Point at the EASD meeting.

New Multi-Parameters BGMs - FORA® 6 Series

We are proud to be the first in the medical device industry to launch a series of advanced blood glucose meter (BGM) features with six important parameters all-in-one device. One meter alone offers the measurement of blood glucose (BG), hematocrit concentration (HCT), hemoglobin (HB), ketone, uric acid and total cholesterol. The new line, named FORA® 6, comes in three models: **FORA® 6**, **FORA® 6 Plus**, and **FORA® 6 Connect. Data meeting multiple parameters can easily be coordinated with and analyzed within one single app — the new iFORA Dr. 6.**

We look forward to welcoming you at the Joint Meeting at the EASD in Munich! **VISIT US AT:**
ForaCare Suisse AG Booth No.: M.03, Hall B.01.
